**NOTICE OF PUBLIC REVIEW OF SUSTAINABLE FOREST MANAGEMENT PLAN # 2**

The Participants in the Fort St. John Pilot Project, which include the major forest industry companies and the Ministry of Forests BC Timber Sales, who operate in the Fort St. John Timber Supply Area, have developed a Sustainable Forest Management Plan #2 (SFMP). The SFMP will provide strategic direction to future forestry operations. This SFMP has been developed with input from a Public Advisory Group representing interests from a wide variety of sectors. The SFMP includes landscape level strategies that will be implemented by the Participants to address resource issues that may be impacted by their activities.

The SFMP is available for public review and comment from February 8<sup>th</sup>, 2010 until April 8<sup>th</sup>, 2010. Copies of the SFMP are available for reviewing between 8:30 a.m. and 4:00 p.m., Monday to Friday, until April 8<sup>th</sup>, 2010 at the following locations:

**B.C. Ministry of Forests: 9000 -17<sup>th</sup> Street, Dawson Creek, B.C.**

**Canfor: 9312 - 259 Road, Fort St. John, B.C.**

A copy of the SFMP is also available at <http://fsjipilotproject.com/>

Revisions may be made to the SFM Plan as a result of comments received during the review period. Written submissions received prior to 4 pm April 8<sup>th</sup>, 2010 are welcome, and should be sent to:
