Dear Ministers:

RE: Fort St. John Pilot Project Annual Report

Pursuant to section 51 of the Fort St. John Pilot Project Regulation, please find enclosed the 2004 regulatory annual report of the participants in the Fort St. John Pilot Project.

This annual report summarizes activities between April 1, 2004 and March 31, 2005 by BC Timber Sales, as well as activities on tenures held by the other participants, Canadian Forest Products Ltd. (FL A18154 and PA 12), Cameron River Logging Ltd (FL A59959), Tembec Inc. (FL A60972), Louisiana-Pacific Canada Ltd. (FL A60049 and FL A60050), and Dunne-za Economic Development Corporation (FL A56671). The report is an excerpt from the CSA Annual Report submitted to our auditors, and is limited to the requirements of the regulation, as directed in the minister's approval letter of the 2003 Annual Report. The approval letter for the 2003 Annual Report also requested the participant's work with the Ministry of Forests to address some outstanding issues. The participants subsequently met with District staff, and developed action plans to progress towards addressing these issues.

If you have any questions pertaining to this Annual Report please contact the undersigned at 250-787-3613.

On behalf of the Participants,

David Menzies RPF
