Dear Minister:

### **RE: Fort St. John Pilot Project Annual Report**

Pursuant to section 51 of the *Fort St. John Pilot Project Regulation (FSJPPR)*, please find enclosed the 2013-2014 Regulatory and CSA Annual Report of the participants in the Fort St. John Pilot Project. Although recent organizational changes within government have resulted in the combining of the former Forests and Range and Environment ministries, I have elected to provide copies of the report to both Ms. Vince and Mr. Addison, to remain consistent with the spirit and intent of the *Fort St. John Pilot Project Regulation*.

This annual report summarizes activities between April 1, 2014 and March 31, 2015 by BC Timber Sales, as well as activities on tenures held by the other participants: Canadian Forest Products Ltd. (FL A18154 and PA 12), Peace Valley OSB (A85946), Cameron River Logging Ltd (FL A59959), Chetwynd Mechanical Pulp (FL A60972), Louisiana-Pacific Canada Ltd. (PA 20, FL A60049 and FL A60050), Dunne-za Economic Development Corporation (FL A56671, held jointly with Canfor).

The report addresses both the regulatory requirements of the FSJPPR, and the certification requirements of the CSA Z809-08 standard in one document to streamline administration and costs. The sections of this report that address the legal requirements of the FSJPPR are identified in the index as well as throughout the report in **red text**, in order to facilitate administrative review.

If you have any questions pertaining to this Annual Report please contact the undersigned at 250-787-3651.

On behalf of the Participants,

Darrell Regimbald, RPF  
Planning Coordinator  
Canadian Forest Products Ltd.
